AMENDMENT TO CODE OF FAIR COMPETITION

FOR THE

TEXTILE PROCESSING INDUSTRY

As Approved on September 25, 1934

---

ORDER

APPROVING AMENDMENT TO CODE OF FAIR COMPETITION FOR THE  
TEXTILE PROCESSING INDUSTRY

An application having been duly made pursuant to and in full compliance with the provisions of Title I of the National Industrial Recovery Act, approved June 16, 1933, for approval of an amendment to a Code of Fair Competition for the Textile Processing Industry, and hearings having been duly held thereon and the annexed report on said modifications, containing findings with respect thereto, having been made and directed to the President:

NOW, THEREFORE, on behalf of the President of the United States, I, Hugh S. Johnson, Administrator for Industrial Recovery, pursuant to authority vested in me by Executive Orders of the President, including Executive Order No. 6543-A, dated December 30, 1933, and otherwise; do hereby incorporate, by reference, said annexed report and do find that said amendment and the Code as constituted after being amended comply in all respects with the pertinent provisions and will promote the policy and purposes of said Title of said Act, and do hereby order that said amendment be and it is hereby approved, and that the previous approval of said Code is hereby modified to include an approval of said Code in its entirety as amended.

HUGH S. JOHNSON,  
*Administrator for Industrial Recovery.*

Approval recommended:

PRENTISS L. COONLEY,  
*Acting Division Administrator.*

WASHINGTON, D.C.,  
*September 25, 1934.*

## REPORT TO THE PRESIDENT

The PRESIDENT,  
*The White House.*

SIR: This is a report on the hearing covering the amendments to the Code of Fair Competition for the Textile Processing Industry, held in Room 127, Willard Hotel, Washington, D.C., April 6, 1934. The amendments, which are attached, were presented by the duly qualified and authorized representatives of the Industry complying with statutory requirements.

In accordance with customary procedure, every person who had filed a request for appearance was freely heard in public, and all statutory and regulatory requirements were complied with.

### PROVISIONS OF THE AMENDMENTS

These amendments provide for the following:

1. The amendment to Article I, Section 1, paragraph (f) provides for the addition of the word "silk."

2. The amendment to Article I, Section 1, paragraph (k) provides for the addition of the dyeing of rayon and/or synthetic fibres in the yarn.

3. The amendment to Article II, Section 4, provides for the limitation of hours on certain types of machinery.

The remaining amendments provide for minor changes in order to conform with standard provisions.

### FINDINGS

The Deputy Administrator in his final report to me on said amendments to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendments to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving the standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation Subsection (a) of Section 3, Subsection (a) of Section 7, and Subsection (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said amendments on behalf of the Industry as a whole.

(d) The amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendments.

For these reasons these amendments have been approved.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

SEPTEMBER 25, 1934.

## AMENDMENT TO CODE OF FAIR COMPETITION FOR THE TEXTILE PROCESSING INDUSTRY

Article I, Section 1, Paragraph (f) is hereby amended by adding the word, "silk", between the words, "wool" and "rayon", in the second line thereof, so that the amended paragraph will read as follows:

(f) The commission winding, warping, slashing, and/or beaming of yarns made of cotton, wool, silk, rayon, and/or other synthetic fibres or combinations thereof;

Article I, Section 1, paragraph (k), is hereby amended to read as follows:

(k) The processing and primary distribution of dyed and/or converted sales yarns made of rayon and/or other synthetic fibres, not including such yarns, natural or bleached, singles, with seven turns twist to the inch or less put up in skeins, spools, tubes, and/or cones; and the dyeing of rayon and/or other synthetic fibres in the yarn; provided, however, that the labor provisions in Article II and the provisions in Article III, Section 2 of this Code shall not apply to any employer using the yarns so processed exclusively for the manufacture of fabrics in his own plant.

Article II, Section 4 is hereby amended by the addition of the following paragraph:

Employers shall not operate the following machines for more than eighty (80) hours per week; winders, warpers, coppers or quillers, section beamers and/or slashers when used in the commission winding, warping, slashing and/or beaming of yarns made of silk, rayon and/or other synthetic yarns and/or combinations thereof in preparation for use on looms sixteen inches wide or over.

Article II, Section 4, is hereby transferred to a new Article entitled "Article IIA", as Section 1.

Article II, Sections 5, 6, 7, 8 and 9 are hereby changed to 4, 5, 6, 7 and 8 respectively.

Article III, Section 1, Paragraph (f) is hereby amended by substituting the words, "Federal and/or State agencies" for the words "government agency or agencies", wherever used therein, so that the amended paragraph will read as follows:

(f) Every member of the Industry shall furnish to any Federal and/or State agencies designated by the Administrator such statistical information as the Administrator may, from time to time, deem necessary for the purpose recited in Section 3 (a) of the National Industrial Recovery Act, and any reports and other information collected and compiled by a Code Authority as heretofore provided shall be transmitted to such Federal and/or State agencies as the Administrator may direct.

Article III, Section 3, is hereby amended to read as follows:

3. If the Administrator shall determine that any action of the Code Authority or any agency thereof is unfair or unjust or con-

trary to the public interest, the Administrator may require that such action be suspended to afford an opportunity for investigation of the merits of such action and further consideration by said Code Authority or agency pending final action, which shall not be effective unless the Administrator approves or unless he shall fail to disapprove after thirty (30) days' notice to him of intention to proceed with such action in its original or modified form.

Article IV, Section 2 is hereby amended by adding thereto "or by the Administrator", so that the amended section will read as follows:

2. The labor provisions of this Code and of other applicable Codes shall be posted in each plant in the Industry, as directed by the Code Authority or by the Administrator.

Approved Code No. 235—Amendment No. 4.  
Registry No. 299-1-13.
